## PRICE/COST COMPARISON BETWEEN NEW ZEALAND AND SOME AUSTRALIAN SKI RESORTS

\* reliable information not available or not applicable

The prices listed above are for the 2008 season and serve as a guide to compare resort costs. Check the resort website for the most up to date prices.

NZ resort prices are in NZ \$. Australian resorts are in AUD. Peak season prices are provided.

Ski/snowboard lessons are offered in slightly different formats at each resort. Some provide lessons for 1:50hr but these have been included with the 2 hour lesson

Rentals and lift ticket prices are for 1 day - multi-day discounts usually apply

First-timer package includes lift, lesson and rental in NZ, but in Australia(#) it only includes lift and lesson

The definitions of "child" and "youth" vary somewhat between resorts. Check the resort websites for accurate definitions of the categories.

The definition of "youth" in Australia is very inconsistent with NZ. For example, Mt Hotham "youth" is aged 15-18.

Full day ski school for kids is common in Aus but is not in NZ, Cardrona and Treblecone are the only resorts to offer it so this comparison has not been included.
